Vibrant Visual Arts Center Seeks Director

Maud Morgan Arts is seeking a Director. Maud Morgan Arts is a vibrant, community-based art center that is a program of Agassiz Baldwin Community, a non-profit organization that has been serving the Cambridge community for over 40 years. The mission of Maud Morgan Arts is to build community through the visual arts by connecting, inspiring, and enriching individual lives. The agency works to reflect the diversity and talents of the community as we bring people together to make art, share art, and support visual arts education. We are a vibrant, collaborative, creative, hard-working, and inclusive, team-oriented community organization looking for a strong leader with the ability to implement their vision.

The program serves people of all ages through classes, workshops, and events. While our 4-studio center serves approximately 200 people each semester, we are small enough to be flexible and creatively respond to the evolving interests of our community. We are established enough to have a core set of teachers and programs, but we are constantly developing new partnerships, and exploring ways to engage more people in the visual arts. To learn more, visit MaudMorganArts.org.

The Maud Morgan Arts Director is a key leader and works under the supervision of the Agassiz Baldwin Community Executive Director and in collaboration with an administrative team. This is a great opportunity for someone looking to work in a non-profit, community-based arts organization. The ideal candidate must be able to work as a team member but also be highly self-motivated and an independent worker who takes initiative and gets things done. This position provides the exciting challenge of working at both a high level, helping to create and drive the vision through creative and strong leadership, while also staying connected to the daily functioning of the center. This is a position for someone who finds satisfaction in moving between being a visionary leader and turning that vision into a reality. When reviewing candidates, we value previous experience but most importantly traits such as hard work, the desire to learn, creative problem solving, a positive attitude, ability to work with others, and a commitment to our mission and values.

Responsibilities and Commitments
