## SUMMER PROGRESS REPORT

NORTON'S WOODS-- we've built a sandbox, a pond, a bird-house, planted gardens, visited a pond in Concord, the Arboretum and the Children's Zoo. New kids join every week.  
PLAYGROUPE-- Jeff Stern will begin as a new half-time teacher in Sept. Ann Harp is the new parent administrator.  
AFTER SCHOOL KINDERGARTEN-- The Community Schools room is taking shape. We've constructed a loft and are about to build storage cabinets. By fall it will be a multi-purpose, multi-level, lovely room. Come and see.  
TRAVELING SCIENCE VAN-- we've blown bubbles, made Polaroid spinners, looked at X-rays, dissected fish, made bird feeders, played with optical illusions, made plaster casts and blue-print pictures and lots of other things. We come to Sacramento Field on Mon. and Thurs. from 10-12. The playgroup joins us. Why don't you!
