## Scholarship Guidelines

### Goals

Agassiz Baldwin Community is committed to providing accessible, high quality children's programs. Limited scholarships are available for children who need financial support to attend children's programs at Agassiz Baldwin Community. We strongly value a diverse population of children and families and strive to maintain an environment that reflects economic, racial, and cultural diversity. To help achieve this end, we have funds allocated for scholarships for our three programs: Afterschool, Preschool, and Outback. Agassiz Baldwin Scholarships are intended for families who are not eligible for a state childcare voucher, but still demonstrate a need for childcare. For details on voucher eligibility, please visit the Child Care Choices of Boston website at [www.ChildCareChoicesofBoston.org](http://www.ChildCareChoicesofBoston.org) or call 617.542.5437.

### Eligibility Requirements

- Recipients of our scholarship awards often receive public assistance (WIC, food stamps, Section 8 housing, free or reduced lunch).
- We take into account gross monthly income, family size, and personal hardship.
- Families of 2 who earn an annual income of \$70,000 or less are eligible to apply. The annual income cap increases with the size of the household.
- Due to limited scholarship award funding, families must commit to regular attendance. Children are expected to attend at least 80% of their scheduled enrollment.

We are committed to providing open communication and encourage you to contact Registration for guidance if you have any questions or concerns about your eligibility.
