Families must submit a copy of their child's last physical, from within the last two years, including their immunization records, by June 1st, 2016. If a child's medical record is not on file, he/she will be unable to attend Outback until the medical records have been received.

If your child has serious medical needs or will need medication on site, Outback staff will follow-up with an Individual Health Plan form that will need to be signed by the child's physician.
