# DESIGN CONCEPT FOR THE RENOVATION OF SACRAMENTO FIELD

WEDNESDAY, NOVEMBER 9<sup>TH</sup>  
7:00PM TO 8:30PM

BALDWIN SCHOOL CAFETERIA  
85 OXFORD STREET

---

The City of Cambridge and the Agassiz Neighborhood Council invite you to a presentation of the proposed design concept for the renovation of Sacramento Field. City staff will facilitate a community conversation about the design concept and respond to questions and concerns that have emerged about the different elements of the plan including the loop pathway and lighting around the field.

Given a number of concerns expressed about the proposed design, the City has extended the formal bid time for one month to allow further public discussion. Following this meeting and any design changes made as an outcome of these discussions, the park bid process will proceed in order to complete the renovation in the coming year.
