## Summer Program/Afterschool Piano Teacher

### Job Description

Agassiz Baldwin Community is seeking a piano teacher for a vibrant, community-based children's programming. Piano lessons are a popular feature of our school year and summer programming. During the school year, we offer 30-minute lessons with afterschool students from 1<sup>st</sup>-5<sup>th</sup> grade. During the summer, children 6 years and older have the opportunity to take 30-minute weekly lessons.

### About Our Programming

Our children's programming is choice-based with community meetings. Piano students understand that they will be pulled from their choice or meeting to attend their lesson. While our choices offer opportunities for students to collaborate in a group, piano lessons offer the one-on-one attention many children seek. Piano teachers are expected to work independently, communicating openly with administrative staff while building relationships with their students and families.

### Job Requirements

- Minimum of two years' experience teaching children ages 6-12.
- Must have the ability to exercise good judgment and safely supervise children.
- Walk children safely between locations and oversee transitions.
- Plan lessons and communicate homework assignments to families appropriate to students' skill level.

### Schedule

Our children's programming follows the CPSD calendar. During the school year, lessons typically run from 2:30pm to 5:30pm Monday-Friday. Families sign up for 14-lesson sessions and we run 2 sessions per school year. Summer shifts are flexible and fall within program hours—between 9:00 am and 3:00 pm with breaks for snack and lunch.

### Pay

\$35 per hour
