ANC Council Notes

ANC MEETING NOTES

Notes from the May 20 ANC Meeting

Kathleen Manion opened the annual meeting, and the first order of business was the election of the board of directors. The Agassiz Neighborhood Council elected the following directors for 1993/94:

Kathleen Manion, Chairperson – Newport Rd.
JoAnn Hoffman, Vice Chairperson – Gorham St.
Andrea Averill, Treasurer – Cambridge Trust
Sue Bergin, Secretary – Mellen St.
Buki Escuroso, Parent Rep – Jay St.
Janet Rustow, Parent Rep – Sacramento St.
David Chilinski, Director – Wendell St.
Terry Conway, Director – Sacramento St.
Richard Griffin, Director – Howland St.
Steve Kosslyn, Director – Garfield St.

Other business included discussion on the transfer of the liquor license previously held by the Black Forest Restaurant (1759 Mass. Ave.) to a new restaurant called Noelle's. Chairperson Kathleen Manion explained that a joint meeting was planned by Agassiz and Neighborhood 9 when it was known that this transfer was on the agenda of the Cambridge Licensing Commission for May 25. The new owners of the restaurant were invited to present their plans to the neighborhoods on May 18.

In This Issue:

Liquor License Transfer .................. 2
Traffic .................................. 4
Crime Statistics for Agassiz .......... 4
School Construction Time Line .... 5
Sacramento Field Renovations ....... 5
Donors ..................................... 7

Chairperson Manion explained that at the May 18 meeting concern was expressed about the changes proposed by the new owners. The Black Forest had a three seat bar, and the bar was located in the basement level. The new restaurant had proposed a 10-12 seat bar with seating at street level. The closing time was another matter of concern. A letter was drafted after the meeting to be presented at the licensing hearing.

Several people at the council meeting spoke to urge attendance at the hearing on May 25 to show the Licensing Commission neighborhood reservations.

(See article page 2 Liquor License Transfer)

When the business was closed, Chairperson Manion thanked individually all the people who had volunteered their time on the Agassiz School Oversight Committee, and Certificates of Appreciation were presented to them. Ken Basler was thanked for his role as Chair. Ken Wexler was thanked for his role as neighborhood representative to the official city Building Committee. Information on the ANC June 15 Meeting

School Demolition/Construction

Mark your calendars now for Tuesday, June 15, 7:30 p.m., Community Room at 1651 Mass. Ave. This is likely to be our last update before summer on the schedule for school demolition and construction — a chance to hear what is known on June 15 about the impact on the neighborhood and to air our concerns about demolition and construction impact. If the Oversight Committee is going to anticipate the impact — and in so doing take measures to make things easier on neighborhood residents — it needs our input and advice.

Liquor License Transfer

As discussed in the ANC meeting notes above, there have been two meetings on the transfer of the liquor license from the Black Forest Restaurant to Noelle’s Restaurant located at 1759 Mass. Ave. At the first meeting the representatives of Noelle’s (George Yankof, president and manager, Sabrina Yankof, clerk and Don Aazar, chef) presented their plans so the residents of Agassiz and Neighborhood 9 could learn more about the possible impact of the potential granting of a liquor license to the restaurant. The representatives stated that they wanted to develop a family style restaurant, not emphasizing liquor. They wish to keep the entire dining room non-smoking, and hours will be set at 11 P.M. (Sunday till 5 P.M.). They stated that they are not requesting additional licensing beyond background music.

The second meeting was the Cambridge Licensing Hearing on May 25. A letter was presented by Kathleen Manion signed by her as Chair of the Agassiz Neighborhood Council and Jack Joseph as Neighborhood Nine President.

The letter refers to some points that the neighborhoods believe must be incorporated into the license:

1. The Applicant must modify his request for a full liquor license to a beer and wine license with the presently anticipated 11-12 seat bar or if he wishes to seek the full liquor license, he must make the necessary modifications to the ongoing construction, omitting the large bar and return the service bar to the previous capacity of three seats, on the lower level if possible.
2. That the seating plan with the indicated 50 seats, including the bar seating, be made part of the licensing record as an enforceable limit. Further, that all drinking and eating be done at the assigned seats, i.e. no standing.
3. That the intention of the Applicant to maintain the restaurant as a “full no smoking environment” be included as part of the license agreement.
4. That the closing times indicated by the applicant of 11 P.M. and 5 P.M. on Sundays be included as part of the agreement.
5. That there be no further request for any additional entertainment licensing beyond background music.
6. That a formal request be made and noted in the record that the Applicant be required to make significant and maintained efforts to improve the trash collection, so as to not negatively impact the abutters and the community, as has been claimed in the past.

It is the understanding of the community that the additional kitchen located on or adjacent to the premises, but not associated with this restaurant, is planned to be phased out of use at some time in the near future. It is the concern of certain members of the community that this use not become an established use in the view of zoning and this use be discontinued within a period of not greater than six months.
and Carol Hantman were remembered by the speakers on the occasion of the last theatrical performance in the Agassiz School.

The production of "Miss Baldwin of Agassiz" was a fitting tribute to both Carol Hantman and Maria Louise Baldwin. The players gave an excellent performance, the sets created by Cortney Skinner were historically accurate and beautiful. Ada Snider accompanied the players and the audience in a wonderful rendition of "Lift Every Voice and Sing".

Sacramento Street Gallery

Agassiz School on View this Summer

HMFH Architects have agreed to provide us with the model and various plans for the new Agassiz School this summer. They will be displayed in the Sacramento St. Gallery for July and August daily. For more information, call the council at 349-6287.
Certain members of the Agassiz community voiced a request or suggestion that, possibly as a condition of the license, the License commission monitor the proceeds of the new restaurant on a continuing basis to determine the ration of income from food and from the sale of alcohol beverage in order to assure the continuation of the "family restaurant" intent as originally stated.

It is the preference of some of the members of the Agassiz community that no alcoholic license be granted. Others of the Agassiz community prefer the omission of the first level bar entirely, but would allow a full license, rather than the presence of the large bar with a beer and wine license. These preferences were not noted by Neighborhood Nine.

Fifteen people spoke and voiced concern regarding the transfer of the license. The License Commission voted to defer their decision until a meeting could be arranged for the two neighborhoods, Noelle’s representatives and License Commission Executive Director Richard Scali. This will be done after a discussion at the Agassiz Neighborhood Council meeting on June 15 when all interested neighbors have a chance to discuss the matter.

The Agassiz Community was shocked and saddened to learn about the death of David Nunes, age ten. His father, Tony Nunes, is a 2/3 teacher at the Agassiz School. David died suddenly on May 24 of a heart attack caused by an undetected heart tumor.

Services were held on May 28 at Christ Church. The family has requested that in lieu of flowers, contributions can be made to the David Brian Nunes Scholarship Fund at the Cambridge Teachers’ Credit Union.

Other items on sale will be jewelry and children's stuffed animals and toys. Among the items being offered at a service auction will be a Boston Harbor saleboat ride, and homemade baked bread. There will also be a baked-goods table and refreshments such as coffee or tea and donuts. Subs and regular sandwiches will be available at lunch time. From 2:00 to 2:45 p.m. there will be a classical music concert in the sanctuary by an organ and string trio. The concert is free, but donations are requested. For more information call 547-1448.

Strange Noises on Traymore St.
We have had reports of strange rumblings on Traymore St. The sound is like an earth mover or a tractor trailer. Calls to the Cambridge and Somerville DPW, as well as Commonwealth Gas and Electric turned up no unusual construction in the area. If you have any information on this noise, please call the council office at 349-6287.

ANC Annual report
There was a recent fund raising mailing sent to the community. Included in that fundraising packet was the ANC Annual Report for 1991/92. Anyone who may be interested in receiving that report should contact us at 349-6287.

The Cambridge Community Development Department has sent the ANC a copy of the final draft of "Toward a Sustainable Future", the Cambridge Growth Policy Document. A final document will be published later this year after City Council review. If you would like to see a copy of this document, call either the Community Development Department at 349-4600 or the ANC at 349-6287.

Cambridge Discovery Needs Volunteers

Do you know Cambridge? Do you enjoy meeting a wide variety of interesting people? The Information Booth in Harvard Square is looking for volunteers to give directions, help Cambridge visitors plan their stay, and inform the public about events and activities. You will be fully trained. Call 497-1631 for more information.

Traffic/Transportation

Bus #83 Update

We have had a response to the Traffic Committee's letter from the Office of Mass. Secretary of Transportation James Kerastotes. They have informed us that they are pressing the MBTA to made a decision on returning Bus #83 to Beacon St. from its current route along Somerville Ave. There is no word on that decision yet.

City Manager Robert Healy did write a strong letter to the MBTA in support of returning the bus to Beacon St.

Unrestricted Parking to Change

You may remember earlier this year the Cambridge Traffic Department visited an ANC meeting to discuss unrestricted parking spaces in the Agassiz neighborhood. These are parking spaces that do not have meters and do not require a visitor's permit. The list of unrestricted spaces, and the proposed changes were previously printed in The Whistler.

We have received a letter from Traffic Director George Teso to advise us that the following changes are being forwarded to the City Manager's Office, and the implementation of the changes will be done in five steps.
